### CITY OF PRYOR CREEK

**Harassment Policy** 

SEPTEMBER 1, 2021
CITY OF PRYOR CREEK

### Harassment

**Commented [SP1]:** Same as FMLA – I would make this a separate policy that the employee has to sign for.

The City is committed to establishing a professional and congenial work environment and will take reasonable steps to insure that the work environment is pleasant for all who work here. All employees are expected to treat others with courtesy, consideration and professionalism. The City will not tolerate the harassment of any employee or any member of the public by any other employee, supervisor or customer. Employees may not use epithets, slurs or other terms or language designed to threaten, insult, intimidate or show hostility to another. Employees are prohibited from posting or circulating in the workplace any written or graphic materials or other objects that attack, defame, belittle, degrade or show hostility or aversion to any person or group of people. In addition, harassment for any discriminatory reason, such as race, color, sex, sexual orientation, gender identity, gender, national origin, disability, age, religion, or veteran status is prohibited not only by State and Federal laws but also by the policies of the City. The City prohibits not only unlawful harassment but other types of unprofessional and discourteous conduct. Accordingly, derogatory, racial, ethnic, religious, age, gender, sexual orientation, sexual or other inappropriate remarks, slurs, "jokes," written material or actions will not be tolerated in the workplace.

Sexual harassment is a violation of Section 703, Title VII of the Civil Rights Act of 1964. Sexual harassment is defined as unwelcome sexual conduct that is a term or condition of employment. It consists of unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when submission to or rejection of such advances, requests, or conduct affects a benefit such as terms or conditions of employment or is used as a basis for an employment decision; or when such advances, requests, or conduct have the purpose or effect of unreasonably interfering with an individual's work by creating an intimidating, hostile, humiliating, or offensive work environment.

Harassment may take many forms, subtle and indirect, or blatant and overt. It may be conducted toward an individual of the opposite sex or the same sex. It may occur between peers or between supervisor and subordinate. It may be aimed at coercing an individual to participate in an unwanted sexual relationship and/or it may have the effect of causing an individual to change behavior or work performance. It may consist of repeated actions or arise from a single incident. Determining what constitutes harassment depends on many factors and will require investigation to the specific facts of the incidents.

Supervisors are responsible for maintaining a discrimination-free work environment and are strictly prohibited from engaging in conduct, implying or allowing conduct that is discriminatory. Supervisory personnel will receive periodic training on harassment issues, investigative procedures, and complaints of harassment. Investigative procedures will be directed by the Department Head, Mayor, and reviewed by the City Attorney.

An individual who perceives that they are being harassed should make it known to the offender that the activities are unwelcome and request that the actions cease immediately. Reporting the

incident is not required; however, if reported, the facts should be documented with a copy provided to the Mayor (Complaint Form).

Recipients of harassment may file a formal complaint without regard to the normal chain of command. The complaining party may go directly to the Department Head, Mayor, or City Attorney. Strict regard to confidentiality of the complaint must be observed in any complaint and/or investigation to the extent allowed and required by law.

The Mayor is the Compliance Officer for the City of Pryor Creek and as such has the authority to investigate and resolve all complaints of harassment. In appropriate cases, professional investigators may be engaged to perform the investigation of complaints of harassment. Investigations will be conducted under the direction of the City Attorney's Office, conducted in a confidential manner, with the investigative reports provided to the Attorney for his/her files. Subsequent action deemed appropriate based on the facts of the investigation will be as directed by the Mayor.

The City of Pryor Creek will not tolerate retaliation against an individual who, in good faith, reports or provides information in an investigation about behavior that may violate this policy. Acts of retaliation against an individual should be reported immediately to the Mayor. All complaints of harassment will be reported immediately, investigated in an expeditious and confidential manner, and corrective action, if required, will be completed as soon as possible. All employees are subject to this policy and are expected to conduct themselves in a manner that would preclude harassment of any nature. Any conduct contrary to this policy will result in immediate disciplinary action, which may include termination of employment.
