4. MAYOR'S REPORT.

a. Tax Reports.

Mayor annualized the Sales, Use and Tobacco taxes for a total of \$11,129,000.00.

b. Review of Financial Status.

Mayor pointed out some expenditures from the purchase order report from the December 7^{th} , Council meeting to say that the asphalt overlay has been completed and the expense of \$500,000.00 will show up in next month's financials. He noted the high utility costs at the Recreation Center and reported that the air handling is inefficient. This is being addressed. There is an expenditure in the amount of \$21,000.00 under Recreation Center Repair and Maintenance, which was for the flooring in the Boys & Girls Club.

He then went over a few items in the financial report. The General Fund shows a net revenue over expenses in the amount of \$167,762.00. He stated that he keeps a close eye on this line item. The Street fund shows a fund equity of \$2,635,000.00; however, the expense of the completed asphalt overlay has not yet come out of that amount, so that will change. The Golf fund currently shows a fund equity of \$13,000.00. The final numbers from the BooHaHa event are not yet in, but he should have those next month. The Capital Outlay account will be affected by some items Willyard will present later in the meeting, but it is important to note that his request will be expended over several years, not all out of this year. The Recreation fund has a significant reserve of \$31,000.00.
