It shows a balance of approximately \$500,000.00. He noted that the Golf and Recreation budgets are the shining stars. Recreation Center shows \$141,900.00 in the red, but part of that was the Fitness Court, and monies from grants will be coming in which will offset some of the deficit. \$6,100.00 was received from the Jock Mayor Foundation. Said funding reflects a deduction in Pryor Creek Recreation Center Capital Improvements Account #84-845-5413 in the total amount of \$89,000. This action clears the error of non-funding the listed accounts without changing the total for the Pryor Creek Recreation Center 2022-2023 Budget. This is a partnership between Pryor Main Street and the Pryor Creek Police Department to bring downtown an element it has never had. We are seeking a 18 ft holiday tree with white LED lighting to be debuted on November 17th at our Lights on Downtown event and to stay up through the holiday season. This tree will be promoted and highlighted as a "must-see" in Pryor and will be marketed to the surrounding areas and beyond. Pryor Main Street downtown events have grown significantly over the last year and thus us the next element to bring our Lights On Downtown event to the next level. Hundreds, if not thousands, join us at our recent events and this will be a key factor in the marketing of our next event.

This tree can be used for years to come and will be supervised and maintained by the Pryor Creek Police Department as it will be showcased and housed at the new Police and Fire facility located in the heart of Pryor - downtown.

We will engage the Pryor Main Street Design committee to implement decorations for the tree.

In addition to the cost of the tree, we are seeking an additional *** for the tree topper and exterior ornaments.

This event will take place all over downtown, but the tree lighting ceremony will be housed at the new Police and Fire Department located in downtown Pryor.

2022 is what we anticipate to be the premiere year of the Nativity Museum Christmas Pop-Up in Pryor. Clay and Melissa Hibbert, who built the Cross on the Prairie between Pryor and Adair have more than 400 nativity sets, from around the world. They have been collecting over the past fifty years. The museum will locate at 9 Adair Street, in the center of Pryor's Main Street District, for November and December 2022. The Hibberts are selecting some the most interesting sets from their collection to put on display from November 1 through the first week in January. We have done considerable research regarding Nativity museums and have found none in Oklahoma or any of our surrounding states, other than Texas, which has one in Denton. We believe this is a unique and very desirable focus to attract citizens, and tourists. We are fortunate that the Hibberts are willing to donate

Where and when will the event take place?

The museum will be located at 9 S Adair, Pryor, OK 74361
Open Thursday-Saturday from 9am-6pm beginning November 3 until January 1.
Open the entire week before Christmas but closed on Christmas Day.

Resources available for project / event:

The event is produced by Clay and Melissa Hibbert. Resources come directly from the Hibberts and their Cross on the Prairie. The Pryor Area Chamber of Commerce is committed to assist with startup and operation costs as well as advertising and promotion - helping cultivate and develop relationships with radio, television and print media throughout NE Oklahoma, the internet and social media campaigns. The project and these efforts will bring increasing numbers of visitors to the event, our community and its shopping area.
