SUBJECT: Closure of SH-20 (East Graham Avenue) from Adair Street to Elliott Street for the Annual Christmas Parade, Mayes County

Mayor Lees:

I am writing you regarding your recent correspondence about closing and detouring traffic through and around the City of Pryor Creek as portions of SH-20 (E. Graham Ave.) will be closed on Thursday, December 3, 2020 from about 5:00 p.m. to about 10:00 p.m. for the Annual Christmas Parade.

These events bring with them additional risks associated with the detour of existing and emergency traffic as well as to the participants involved with or attending the event. As such, the Oklahoma Department of Transportation does not endorse, imply participation, recommend, or authorize such closures.

However, the Department recognizes the importance of city sponsored special events that are valuable to the entire community, and recognizes that cities and towns have the authority via §47-1148 to proceed without specific ODOT approval when the events are undertaken under the direct authority of the city.

If the City of Pryor Creek chooses to proceed with the closure, the city will assume all responsibilities for the traffic control to be installed according to the Manual on Uniform Traffic Control Devices (MUTCD), a detour that is feasible for both passenger and commercial truck traffic, the effect on emergency responses and all other associated liabilities.

Sincerely,

Kristine R. Spence, P.E.
Division Traffic Engineer
