

Our LED Panel Trees are Proudly Made right here in the U.S.- they are easy to install & store and are available in a variety of sizes and in your choice of LED light colors. Our Panel Trees can be increased in height in 4 ft. increments as budget permits. The lights are all wired on here, so there is no putting on or taking off lights every year. And, for storage - the panels nest right inside one another. They are not only beautiful, but they are built to last!
