Others present: Drew Stott.

**2. DISCUSS, POSSIBLY APPROVE THE MINUTES OF THE MAY 26<sup>TH</sup>, 2020 REGULAR MEETING.**

No action. There was not a quorum present from that meeting.

**3. STREET SUPERINTENDENT REPORT – BUDDY GLENN:**

No report.

**4. PETITIONS FROM THE AUDIENCE.**

Drew Stott spoke regarding a few areas of town that he has issues with. One is his daughter's home on SE 15<sup>th</sup> Street. There is a serious drainage issue in the utility easement. Stott was under the impression that Glenn was going to shoot grade there.

Stott stated that he would like to see the city come up with an ordinance stating that drainage issues can be addressed on utility easements.

His second point of concern was the area of property he owns on 22<sup>nd</sup> Street, which also has drainage issues.

His third point of concern was his property at 124 N. Adair, where there are some dead trees along the street and he wants to know who is responsible for their removal. Glenn has told him that they are not the city's responsibility, but they appear to be in the easement, and Stott does not want to pay for their removal and find out later the city should have done it. He does not want them to become a hazard.

**5. UNFORESEEABLE BUSINESS. (ANY MATTER NOT FORESEEABLE PRIOR TO POSTING THE AGENDA.)**

There was no unforeseeable business.
